Tale of the two girls

Once upon a time, in one country, there was a girl named Mia. Mia was a very modest girl, who was nice, good and kind, and she lived with her mom. One day, she moved to a new city, to a new school. That was a first time she felt what it was like to make fun of someone...

Asset List

The Asset List sidebar on the left contains a vertical stack of thumbnail images representing different comic panels. The thumbnails are numbered from -1- to 7-. The thumbnail for panel -3- is highlighted with a blue border, indicating it is the current panel being viewed in the main workspace.

98%

The toolbar at the top of the workspace contains numerous icons for drawing, editing, and navigation. It includes tools for selection, erasing, copying, pasting, and zooming. The zoom level is currently set to 98%. On the right side of the toolbar, there are navigation arrows and a page indicator showing '3 / 10'.
